

APIC Strategic Plan 2020 – Performance Outcomes Metrics

2015 Actual (A) and Targets (T) identified in gray. Last column on right represents total number for all years to date. If non-cumulative, last column represents total number for 2015 alone.

Patient Safety: Demonstrate and support effective infection prevention and control as a key component of patient safety.							
Action	Measure & Metric	2020 Target	Outcome	2012	2013	2014	2015
Increase consumer engagement with APIC	<p>Measure: Individual consumers who interact with APIC Consumer organizations who engage with APIC around infection prevention Joint initiative with consumer organization around infection prevention</p> <p>Metric: Number of individuals taking action or pledging action Number of downloads of consumer materials Number of consumer organizations that engage with APIC around infection prevention</p>	<p>1,000,000 consumer interactions</p> <p>2012: 5,100 2013: 27,003 2014: 123,163 2015: 227,543 A 2015: 169,000 T 2016: 155,000 2017: 155,000 2018: 155,000 2019: 155,000</p> <p><i>Surpassed original target (100,000) in 2014; 2020 target reset in 2015</i></p>	<p>APIC and IPs viewed as patient safety advocates by the public</p> <p>Responsiveness to consumer demand for transparency, safety, & accountability promotes safety culture in healthcare facilities</p>	5,100 baseline	32,103	155,266	382,809 GREEN
Increase communications with Congress, federal agencies, and States on behalf of collaborative patient safety/public health initiatives	<p>Measure: Organizational communications by APIC with federal agencies, Congress, and State governments on behalf of collaborative/public health initiatives</p> <p>Metric: Number of cumulative organizational communications</p>	<p>60 organizational communications</p> <p>2013: 5 2014: 19 2015: 17 A 2015: 9 T 2016: 5 2017: 5 2018: 5 2019: 4</p>	<p>APIC and IPs viewed as patient safety advocates by gov't.</p> <p>Gov't better educated about role of IP in patient safety and public health initiatives. More influence on gov't decision-making on patient safety and public health initiatives.</p>	n/a	5 baseline	14	41 GREEN

APIC Strategic Plan 2020 – Performance Outcomes Metrics

2015 Actual (A) and Targets (T) identified in gray. Last column on right represents total number for all years to date. If non-cumulative, last column represents total number for 2015 alone.

Implementation Science: Promote and facilitate the development and implementation of scientific research to prevent infection.							
Action	Measure & Metric	2020 Target	Outcome	2012	2013	2014	2015
Increase educational and training resources specific to implementing evidence-based practice	Measure: Educational courses, workshops, published resources, and etc. Articles in APIC publications and supplements that focus on aspects of implementation science Metric: Number of new and revised courses, workshops, published resources, etc. Number of articles in <i>AJIC</i> , <i>Prevention Strategist</i> and supplements	A: 50 courses/ workshops 2012: n/a 2013: 25 2014: 35 2015: 40 A 2015: 45 T 2016: 45 2017: 47 2018: 48 2019: 50 <i>Non-cumulative</i>	Further integration and implementation of evidence and outcomes-based research	n/a	25	35	40 GREEN Non-cumulative
		B: 50 published resources/articles 2012: 22 2013: 34 2014: 30 2015: 47 A 2015: 34 T 2016: 48 2017: 49 2018: 50 2019: 50 <i>Non-cumulative</i>		22	34	30 GREEN Non-cumulative	
Increase collaboration with appropriate orgs (e.g. HRET/AHRQ) on the distribution of training and resources for effective IPC programming	Measure: Number of facilities accessing training and resources through APIC collaborative partnerships Metric: Cumulative number of facilities	2,500 facilities 2012: unknown 2013: unknown 2014: 1589 2015: 1087 A 2015: 182 T 2016: 0 2017: 0 2018: 0 2019: 0 <i>Surpassed original target (1,000) in 2014, 2020 target reset in 2015. Target exceeded in 2015.</i>	Value of IP and importance of implementation of the science into practice strengthened through collaboration with related disciplines and organizations in promoting implementation science research	n/a	n/a	1589	2676 GREEN

APIC Strategic Plan 2020 – Performance Outcomes Metrics

2015 Actual (A) and Targets (T) identified in gray. Last column on right represents total number for all years to date. If non-cumulative, last column represents total number for 2015 alone.

IP Competencies and Certification: Define, develop, strengthen, and sustain competencies of the IP across the career span and support board certification in infection prevention and control (CIC®) to obtain widespread adoption.							
Action	Measure & Metric	2020 Target	Outcome	2012	2013	2014	2015
Increase infection prevention and control certification	<p>Measure: Individuals certified by CBIC</p> <p>Metric: Number of individuals with CIC credential</p>	<p>10,000 CICs</p> <p>2012: 5071 2013: 613 2014: 260 2015: 399 A 2015: 650 T 2016: 762 2017: 863 2018: 987 2019: 1045</p>	<p>Majority of IPs demonstrate core competency in IPC through board certification</p> <p>Role and value of IP is strengthened through greater adoption of standardized credential</p>	5,071 baseline	5,684	5,944	6,343 RED
Develop advanced practice designation with criteria and program framework	<p>Measure: Members meeting criteria and submitting application for advanced practice designation</p> <p>Metric: Number of members that obtain the advanced practice designation</p>	<p>1,000 members</p> <p>2015: developed A 2015: developed T 2016: 250 2017: 250 2018: 250 2019: 250</p>	<p>Criteria for advanced competency in IPC determined by APIC with objective criteria and clear pathway</p> <p>Greater engagement and recognition of advanced practice IPs to all stakeholders</p>	n/a	n/a	n/a	n/a GREEN
Create education series on stages related to research studies (how to read & interpret, how to write an abstract, how to do original research, how to write up results, etc.)	<p>Measure: Attendees in education series on research, additional diffusion of concepts and materials through chapter journal clubs</p> <p>Metric: Number of attendees participating in education series on research. Target growth of 20 more attendees each year from a 2015 target base of 50</p>	<p>450 attendees</p> <p>2015: 0 A 2015: 50 T 2016: 70 2017: 90 2018: 110 2019: 130</p>	<p>More IPs with stronger interest and competency in utilizing research to a greater extent and in initiating and/or participating in research projects and publication of the research</p>	n/a	n/a	n/a	0 YELLOW

APIC Strategic Plan 2020 – Performance Outcomes Metrics

2015 Actual (A) and Targets (T) identified in gray. Last column on right represents total number for all years to date. If non-cumulative, last column represents total number for 2015 alone.

Advocacy: Influence and facilitate legislative, accreditation, and regulatory agenda for infection prevention with consumers, policy makers, health care leaders, and personnel across the care continuum.							
Action	Measure & Metric	2020 Target	Outcome	2012	2013	2014	2015
Increase the number of individuals subscribing to advocacy update system.	Measure: Individuals subscribed to Public Policy Action E-List Metric: Number of cumulative subscribers	3,000 subscribers 2012: 1170 2013: 403 2014: 334 2015: 669 A 2015: 218 T 2016: 106 2017: 106 2018: 106 2019: 106	Stronger and larger base of members up-to-date on APIC advocacy issues and initiatives	1,170 baseline	1,573	1,907	2,576 GREEN
Increase the accessing of APIC regulatory resources	Measure: Individuals clicking on regulatory resources web page Metric: Number of clicks on regulatory resources web page.	5,000 clicks 2012: 2400 2013: 300 2014: 853 2015: 26 A+ 2015: 290 T 2016: 320 2017: 350 2018: 390 2019: 425	Increased credibility with regulatory agencies that APIC is go-to place for information and resources on regulatory changes & policy. Establishes stronger base to influence regulatory changes and leverage collective voice of IPs.	2,400 baseline	2,700	3,553	3,579 GREEN
Increase awareness of the APIC Public Policy program	Measure: Clicks by individuals on the public policy agenda page Metric: Number of clicks on the document	3,000 clicks 2015: 166 A 2015: 600 T 2016: 600 2017: 600 2018: 600 2019: 600	Builds larger base of core members interested in policy agenda and more likely to take action when asked. Promotes diffusion of APIC and IP agenda to other key stakeholders.	n/a	n/a	n/a	166 YELLOW

+ Need to reassess how to measure this target as we are currently redirecting members away from the regulatory resources “landing” page and connecting members directly with the relevant regulatory resource. There were 15,546 total page views for regulatory resources.

APIC Strategic Plan 2020 – Performance Outcomes Metrics

2015 Actual (A) and Targets (T) identified in gray. Last column on right represents total number for all years to date. If non-cumulative, last column represents total number for 2015 alone.

Data Standardization: Promote and advocate for standardized, quality and comparable HAI data.							
Action	Measure & Metric	2020 Target	Outcome	2012	2013	2014	2015
Increase number of organizations supporting standardized, quality and comparable HAI data.	<p>Measure: Organizations supporting APIC National Healthcare Safety Network request letter to Congress.</p> <p>Metric: Number of supporting organizations</p>	<p>40 organizations</p> <p>2012: 4 2013: 25 2014: 2 2015: 22 A 2015: 2 T 2016: 0 2017: 0 2018: 0 2019: 0 <i>Target exceeded in 2015</i></p>	<p>Major coalition of key stakeholders within the field established to promote and support NHSN as gold standard for HAI data</p> <p>APIC and IPs demonstrating collaborative leadership</p>	4 baseline	29	31	53 GREEN
More than double member support for standardized data collection system for HAIs.	<p>Measure: Individual members expressing support for standardized data collection via NHSN.</p> <p>Metric: Number of individual members contacting policymakers through APIC campaigns.</p>	<p>3,700 members</p> <p>2012: 1058 2013: 797 2014: 1154 2015: 1875 A 2015: 1500 T 2016: 2000 2017: 2500 2018: 3000 2019: 3700</p> <p><i>Non-cumulative: Target represents actual number of members taking action in each year</i></p>	Engagement of IPs in development and use of HAI data through support and advocacy for NHSN	n/a	n/a	1154	1,875 GREEN Non-cumulative

Actions, Measures & Metrics, 2020 Targets, and Outcomes recommended by the Performance Outcomes Committee and approved by the APIC Board of Directors June 2014. Revised June 2015.
