## APIC 2014 has it All!

At APIC’s 41st Annual Conference, you’ll have the opportunity to learn and contribute to the body of knowledge on infection prevention. Hear from leading experts, government agencies, and the healthcare professionals that work daily to prevent infections and protect patients. Plus, you’ll have the chance to network and share best practices with nearly 5,000 attendees, including more than 2,500 clinical professionals from around the world.

### Timely Education and Multiple Topic Tracks

Find learning personalized to meet your needs. Pick and choose from the extensive educational offerings and create your agenda to your individual needs through workshops, concurrent sessions, and Ask The Expert sessions offered in six topic tracks. Whether you’re interested in ambulatory strategies, environmental cleaning, pediatrics and other specialties, the APIC 2014 Annual Conference delivers timely education based on leading science.

### Networking

Engage with healthcare professionals from more than 30 countries and develop your personal “go to” network of colleagues. Start the conference off networking at the Welcome Reception, Friday June 6, making new contacts and reconnecting with old friends. Visit www.apic.org/ac2014 for more information on all the networking events available.

Stay up-to-date on all the excitement and connect with fellow attendees on Twitter-follow @APIC and #APIC2014

---

**Preconference Workshops**

Preparing to sit for certification? Hungry for additional education? Prior to the start of the conference, you’ll be able to attend one of two, day-long workshops geared just for you.

**Friday, June 6, 8 a.m.–4:30 p.m.**

- CIC® Certification Preparatory Course
- Advanced Practice Workshop

**Abstracts - Poster Displays and Oral Presentations**

More than 300 abstracts will be presented at APIC 2014 in both poster and oral format. Take part in discussions with your colleagues and share best practices for confronting the challenges faced every day by infection preventionists and epidemiologists.

**Exhibit Hall**

Discover the latest in innovative products, emerging technologies, and scientific advances in the largest exhibit hall devoted to infection prevention. The Exhibit Hall features more than 200 companies showcasing the newest equipment, devices, and services, and will feature in-person product demonstrations.

**APIC Live**

Visit APIC Live, an area of the Exhibit Hall devoted to interaction with APIC's infection prevention community. While there you’ll be able to meet with topic experts, take part in live educational demonstrations, have your photo taken with your colleagues, and view the Film Festival entries.

**APIC Bookstore**

Find solutions to your infection prevention challenges by browsing through new publications, including “Infection Preventionist’s Guide to Long-Term Care” and the newly revised “APIC Text”. Take advantage of conference specials, online course demos, and leave with logo merchandise that shows your commitment to the profession.

**APIC Central**

Visit your one-stop shop for all things APIC. Connect with peers and staff, renew your membership, learn about APIC programs and products, get your questions answered, or just take a break and chat with friends. You can do it all at APIC Central.

**Exhibitor Satellite Symposia**

Exhibitor Satellite Symposia are an excellent opportunity for APIC 2014 attendees to receive additional education during the conference. These events are wholly sponsored by exhibitors and are not endorsed by APIC. View the most up-to-date listing at www.apic.org/ac2014

Group Registration

APIC is pleased to offer a special registration option for organizations registering four or more individuals as full conference attendees. Every group of four attendees from the same institution will receive an additional $200 off of the entire registration.

To register as a group:
1. Make all the registrations at the same time. This allows the system to identify them as a group.
2. Enter the first person and then prior to payment select the “register another” button to complete the registration information for the next person.
3. The system will automatically apply the discount to every fourth attendee in the group.
4. One single payment must be made for a group.

Guest/Exhibitor Welcome Reception Tickets

This year APIC will be offering guest and exhibitors tickets for the conference Welcome Reception on Friday, June 6th.

Friday, March 21: Early Registration Deadline
Friday, May 2: Registration Cancellation Deadline
Friday, May 5: Hotel Cancellation Deadline

Contact Hours/Continuing Education Credit

The Association for Professionals in Infection Control and Epidemiology (APIC) is approved for providing continuing nursing education by the following organizations:

ANCC Continuing Nursing Education Contact Hours
The Association for Professionals in Infection Control and Epidemiology, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's COA.
One contact hour = 60 minutes.

California Board of Nursing
APIC is approved for providing continuing nursing education by the California Board of Nursing, provider number CEP 7146.

Continuing Medical Laboratory Education (CMLE)
APIC 2014 is recognized by the American Society for Clinical Pathology as meeting the criteria for CMLE credit. ASCP CMLE credit hours are acceptable to meet the continuing education requirement for the ASCP Board of Registry Certification Maintenance Program.

ACCENT® Continuing Education Credit
The American Association for Clinical Chemistry, Inc. (AACC) designates APIC 2014 as meeting the criteria for ACCENT® credit hours. AACC is an approved provider of continuing education for clinical laboratory scientists licensed in, but not limited to, the states of California, Florida, Louisiana, Montana, Nevada, North Dakota, Rhode Island, and West Virginia.

ACCENT® Activity Number will be provided; ACCENT® Activity California Number will be provided and Florida category ACCENT® Continuing Education Credit in Clinical Chemistry/Toxicology, Supervisory/QA/ Administration/QA/QC/Safety; Medical Errors; Microbiology/Mycology/Parasitology; Serology/Immunology.

2014 Educational Schedule

Preconference Workshops
Friday, June 6, 8 a.m.-4:30 p.m.
Start your conference with one of two, day-long workshops geared just for you. Workshops require an additional fee.

CIC® Certification Preparatory Course
This course, presented by CBIC, will help prepare candidates planning on taking the Certification in Infection Control (CIC®) exam for certification and recertification and/or interested in enhanced competency in the field of infection prevention and control.

Advanced Practice Workshop
This workshop, presented by APIC will focus on issues and skill development relevant to the Expert practitioner (from the APIC Competency Model). Topics include High Reliability Organizations and other quality initiatives.

Understanding the different educational offerings:

**Concurrent Sessions:**
60 minute session featuring the latest case studies, best practices, and science in infection prevention. They feature 45 minutes of lecture followed by 15 minutes of Q&A. Each session is assigned to one of the six educational tracks.

**Ask The Expert:**
Noted topic experts will frame a specific issue in a 10-15 minute presentation and then invite the audience to engage in an open dialogue with them on it for the remaining 45-50 minutes.

**Workshops:**
2.5 hour extended learning sessions that feature in-depth training with interactive group work.
