

Contribute to the online networking experience

Become a community moderator.

The online **Section Community Moderator program** enhances and maximizes section/practice setting networking and engagement among APIC members. Community moderators stimulate helpful and engaging community discussion as well as offer practice-related and organizational support.

Become a section moderator to:

- Facilitate and contribute to meaningful discussion and sharing amongst fellow IPs and APIC members
- Impact and inform conversations shaping APIC resources and programming
- Be recognized as a leader and resource within your practice setting community

Email **Crystal Moohn** at cmoohn@apic.org for more information and to submit your completed application*.
