\$46,000

VS.

\$205

\$900-\$46,000

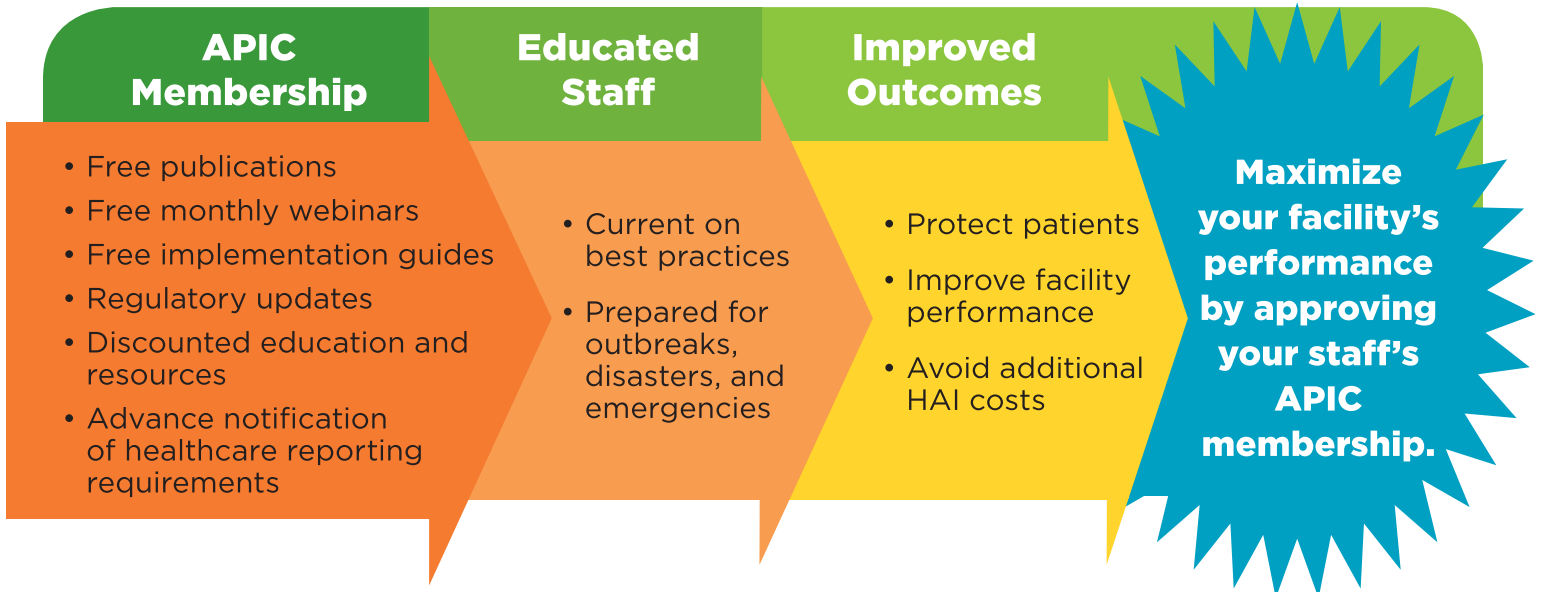

The financial impact of each healthcare-associated infection (HAI) on your facility.¹

\$205-\$215

The annual cost of an APIC membership.

¹ (Health Care-Associated Infections: A Meta-analysis of Costs and Financial Impact on the US Health Care System. JAMA Intern Med. 2013)

When it comes to infection prevention, educated staff members are the most important investment your facility can make. APIC membership is crucial in helping your facility remain compliant, reduce risk, control costs, and protect patients.
