APIC STRATEGIC PARTNER PROGRAM

Strategic Partner Program's Transformational Value

...helping to bring about strategic change, value-based innovation, forward-oriented movement, and long-range perspective through...

- Enhanced image of your company among professionals, field, industry, and marketplace
- Visibility as a good “corporate citizen” and thought-leader positioned to influence change
- Ability to have impactful participation in the leading scientific conference and trade show through sponsoring various signature events at APIC's Annual Conference
- Recognition gained on national and international stage through acknowledgement in multiple APIC communications and website
- Opportunity to bring forward research and innovations

Strategic Partner Program Benefits and Value

DUES BACK TO PARTNER

Allocate \$10,000 of your program dues to activities of your choosing from options provided. (Options for dues allocations provided under separate cover)

ACKNOWLEDGEMENT & VISIBILITY

“Proud Partner” logo provided by APIC: Post the logo on your website and include it in company publications, like the Annual Report, to indicate your long-term commitment to infection prevention.

Acknowledgement on APIC.org: Through the year, APIC acknowledges this valuable partnership via a dedicated page on its website. Each partner's logo will be prominently displayed.

Acknowledgement on Industry Perspectives: Featured on *Industry Perspectives*: APIC's new website dedicated to industry in infection prevention and control showcases the strategic partners. Each partner's logo will be prominently displayed along with a company bio.

STRATEGIC PARTNER STATUS AT APIC ANNUAL CONFERENCE

Exhibit Space: Special access: priority booth selection provided a year in advance; discount rates on exhibit booth space; strategic partner decals in exhibit hall.

APIC STRATEGIC PARTNER PROGRAM

Registration: 4 complimentary full registrations.

Recognition: Acknowledgement in marketing and onsite materials; venue for showcasing innovations; receptions with APIC leadership.

Promotion: Activities to drive booth traffic and more engaged visitors to the booth.

PRIME POSITIONING IN THE PROFESSION

APIC Membership: 10 free associate memberships/year to APIC. You may add an unlimited amount of associate members at the special dues rate of \$150/year.

APIC Career Center: Source the best talent in the field with APIC's Online Career Center. Partners receive a 30-day complimentary access pass and can post up to twelve (12) open positions.

Exposure to New CICs: The Competency Advancement Award Program, which supports individuals preparing for the Certification in Infection Control (CIC[®]) exam, is fully sponsored by the Strategic Partners. Scholarship recipients, as well as APIC membership at large, are fully informed of this support that helps to keep a versatile future pipeline of certified professionals in infection control. Strategic Partners will be invited to the CIC reception at the Annual Conference to be acknowledged and recognized for their support.

LEADING WITH LEADERSHIP DIALOGUE

Industry Leadership Forum: Hosted biannually and facilitated by the APIC CEO and key board members, who report on demographics, public policy, regulatory landscape, unmet needs, emerging opportunities, etc. in infection prevention. Your participation in this exclusive forum allows you to demonstrate your commitment to leadership in infection prevention and control and collaborate with colleagues to further advance the field.

Opinion-Leader Calls: Hosted 3 times/year by APIC as opportunity to interact with key opinion leaders in infection control and epidemiology.

Government Affairs Calls: Hosted biannually by APIC's Government & Regulatory Affairs Department to alert you to the latest Public Policy news and let you know when critical action is needed on federal policy issues.

Consultative Calls: Based on the need of partners, APIC will facilitate an hour-long consultative call between a partner and APIC subject matter expert for overall feedback on ongoing innovation and research projects.

APIC visits with Strategic Partners: Depending on need and logistics, option available to include a visit from a representative of the APIC board to a strategic partner.

APIC STRATEGIC PARTNER PROGRAM

Strategic Partner Program Added Value

- *Industry Perspectives:* APIC's website for highlighting and disseminating cutting-edge innovation, research, and knowledge from industry in infection prevention and control. You may sponsor content and/or advertising space and reach infection preventionists by using your own content and voice www.industryperspectives.com.
- Live Focus Groups
- Online Surveys for Market Research
- Online Satellite Educational Sessions

Please join APIC in acknowledging the 2018 Strategic Partners
